### **Asiamet Investor Presentation Evening and Exhibition details for UK Investor Show**

Asiamet Resources Limited ("ARS" or the "Company") is pleased to announce that it will be exhibiting at the UK Investor Show in London, United Kingdom on Saturday 1 April 2017.

On Thursday 30 March 2017, the Company will also be presenting at the Mining Maven Investor Evening at The Côte Brasserie, St Pauls, London.

#### **30 March: Investor Evening at The Côte Brasserie, London**

All shareholders and interested investors are welcome to attend the investor presentation evening to receive an update upon the Company's ongoing Feasibility Study and forthcoming Resource upgrade at its flagship BKM copper project. Attendees are invited to register using the following link:

<https://www.eventbrite.co.uk/e/miningmaven-investor-evening-with-greatland-gold-ecr-minerals-asiamet-resources-registration-32405590995?aff=ehomecard>

The investor presentation will be held at The Cote Brasserie, 26 Ludgate Hill, St Pauls, London EC4M 7DR. The event will begin at 6:00pm for a 6:30pm start and will be followed by refreshments and an opportunity to meet with the directors of Asiamet.

#### **1 April UK Investor Show:**

The Company will also be exhibiting at the UK Investor Show and whilst exhibiting at the conference, Asiamet's management team are keen to make themselves available to all interested investors. Those who wish to attend may register for a ticket using the following link:

<https://www.ukinvestorshow.com/tickets/>

The UK Investor Show runs from 8:30am until 5:30pm on Saturday 1 April 2017 and is held at the Queen Elizabeth II Conference Centre in Westminster (London, SW1P 3EE). Asiamet can be found at Exhibition Stand 6 in the Whittle Room. A formal presentation will also take place at 15:20 in the Britten Room.

If there are any queries regarding either of the above events, then please do not hesitate to email [Meagan@flowcomms.com](mailto:Meagan@flowcomms.com)

*This news release contains forward-looking statements that are based on the Company's current expectations and estimates. Forward-looking statements are frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate", "suggest", "indicate" and other similar words or statements that certain events or conditions "may" or "will" occur. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that could cause actual events or results to differ materially from estimated or anticipated events or results implied or expressed in such forward-looking statements. Such factors include, among others: the actual results of current exploration activities; conclusions of economic evaluations; changes in project parameters as plans continue to be refined; possible variations in ore grade or recovery rates; accidents, labour disputes and other risks of the mining industry; delays in obtaining governmental approvals or financing; and fluctuations in metal prices. There may be other factors that cause actions, events or results not to be anticipated, estimated or intended. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise. Forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to the inherent uncertainty therein.*
