### **Asiamet Investor Presentation Evening and Exhibition details for Mines and Money**

Asiamet Resources Limited ("ARS" or the "Company") is pleased to announce that it will be exhibiting at the Mines and Money Conference in London, United Kingdom from Tuesday 29 November till Thursday 1 December. The Company will also be hosting an additional evening investor presentation on Monday 28 November at 'The Counting House' in the City of London.

#### **28 November: Investor Evening at The Counting House, London**

All shareholders and interested investors are welcome to attend the investor presentation evening to receive an update upon the Company's ongoing Feasibility Study at its flagship BKM copper project and are invited to register using the following link:

<https://www.eventbrite.co.uk/e/asiamet-resources-investor-presentation-monday-28th-november-tickets-29568359760>

The investor presentation will be held in the City of London at The Counting House, 50 Cornhill (nr. Bank Station) London EC3V 3PD. The event will be held in the Griffin Room and will begin at 6:00pm for a 6:30pm start and will be followed by refreshments and an opportunity to meet with the directors of Asiamet. The presentation will be made available on the Investors section of Asiamet's website ([www.asiametresources.com](http://www.asiametresources.com)) to coincide with the event.

#### **29 November – 1 December Mines and Money Exhibition:**

The Company will be exhibiting at Mines and Money London 2016. Mines and Money London is Europe's largest mining investment conference and exhibition, bringing together over 2,500 attendees from 75 countries. Mines and Money is considered to be one of the leading forums in the industry for deal-making, networking and for enabling mining companies to engage with both institutional and private investors.

Whilst in exhibiting at the conference, Asiamet are keen to make themselves available to all interested investors and have arranged for non-industry shareholders to be able to apply for a complimentary 'Buy-side' investor pass in order to facilitate entry. Investors who wish to attend may apply for a conference pass using the following link:

<http://london.minesandmoney.com/apply-for-investor-pass/>

The Mines and Money Conference runs from Tuesday November 29 to Thursday December 1 2016 and is held at the Business Design Centre, 52 Upper St, Islington, London N1 0QH. Asiamet can be found at Exhibition Stand C7.

*This news release contains forward-looking statements that are based on the Company's current expectations and estimates. Forward-looking statements are frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate", "suggest", "indicate" and other similar words or statements that certain events or conditions "may" or "will" occur. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that could cause actual events or results to differ materially from estimated or anticipated events or results implied or expressed in such forward-looking statements. Such factors include, among others: the actual results of current exploration activities; conclusions of economic evaluations; changes in project parameters as plans continue to be refined; possible variations in ore grade or recovery rates; accidents, labour disputes and other risks of the mining industry; delays in obtaining governmental approvals or financing; and fluctuations in metal prices. There may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise. Forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to the inherent uncertainty therein.*
